Pain medications are NOT the only answer! Share the hope of NATURAL HEALING with someone you know today. Severe low back pain? Sciatica?

We may have the answer.

"I was in severe pain and on many medications. My doctor stated that the next step would be surgery. I was walking in an "S" shape. After discovering Revolution Chiropractic, I began 3x a week alignments and am coming in for 2x a week alignments now. I have decreased my medications to almost NONE. I am walking STRAIGHT and able to *play with my granddaughter*. I am also able to sit with my legs crossed Indian style on the floor. Both Doctors are very kind and understanding and supportive. I know in due time I will be able to stop taking all of my medications and regain full function.
